Growth 2022 vs 2023

Guide change with Project Management

Through PMI Educational Foundation, Project Managers Without Borders and our local PMI chapter communities, PMI provides numerous avenues for Project Managers to volunteer and make a difference.

PMI is calling on our global community to contribute our collective Project Management skills in support of the 17 United Nations Sustainable Development Goals (SDGs).

This year, PMI's Most Influential Projects will recognize project success in alignment with the UN SDGs.

Stay tuned for more information in the coming weeks!

How to study practically?
What kind of material will help me?

I want to discuss my problems

I have some interesting topics,
Is there any community or
association?

I want to ask my questions

I will contribute my experience

there are limits to
what one person
can achieve alone
