PMI Hong Kong Chapter is pleased to invite you to join the PMI HK Asia Pacific Project Management Congress 2020, to be held on 12 December 2020 (Saturday). Congress Theme : "Road to Recovery, The Way Forward"

2020 will be forever remembered as a year of unprecedented change and challenge.

A global health pandemic, massive economic downturn across virtually every country and industry, millions of jobs lost, strict quarantine & lockdown, social & physical distancing, widespread business disruption & transformation, rapid emergence & adoption of technology, major events cancelled, sport without spectators, worldwide travel bans & restrictions, almost every aspect of our everyday lives have been changed, turned upside down. As we reflect on the extraordinary year of 2020 and look towards the future, let's explore, discover, learn and prepare together for the journey ahead.
